

## FE Open Days – 2023/2024

College open days are a great way to explore the facilities that a college has to offer, speak to relevant subject tutors, and help you make the right choice for your future. We encourage you to attend as many open days as possible to give yourself the best opportunity to explore options for your future. Please have a look at the college websites that you are interested in attending as some of the open days require you to complete expressions of interest forms.
